

Homeopathy For Children Workshop

with Rachel Foy ~ Registered Homeopath

This 3-hour workshop is suitable for people with all levels of homeopathy knowledge!

Homeopathy is one of the most widely used forms of medicine in the world today, because people are discovering the benefits of a system of medicine that is safe, effective & treats them as unique individuals. It is a gentle and holistic alternative therapy which stimulates the body to heal itself treating mental, emotional & physical illness.

If you are looking for an alternative to antibiotics & cough medicines then come along!

Homeopathy can be used effectively by everyone including small babies & infants!

Aim of the workshop

I want to give you self-confidence to prescribe to the small members of the family with confidence!
